PROFILE

I am a recent graduate with a Bachelor's degree in Electrical Engineering and Computer Science from the Faculty of Engineering Sciences in Kragujevac. Currently, I am pursuing a Master's degree in the same field at the same institution. I am actively seeking opportunities to apply my theoretical knowledge in a professional setting. Eager to contribute to cutting-edge projects and thrive in a dynamic work environment, I am poised to make a meaningful impact as I embark on the next phase of my career.

Soft Skills

- Organizational and planning skills
- Motivated
- Team-work oriented
- Good listener and communicator

Technologies

HTML | CSS | Git & GitHub | Bash/CLI | JavaScript | SQL | Java | Spring Boot | React | TypeScript | PHP | Python

Project Management

- Basic familiarity with project management tools, including Trello.
